Joint Motion to Continue Status Conference

On November 21, 2005, the Court accepted Michael Scanlon’s plea of guilty, deferred setting a date for his sentencing, and scheduled a status conference. By Minute Order dated February 21, 2007, the Court continued the status hearing until June 5, 2007. The United States and Mr. Scanlon now move the Court to continue the status conference to a date not less than 90 days in the future.

As part of his plea agreement, Mr. Scanlon has agreed to cooperate with the government in any and all matters when required. In conformity with this agreement, Mr. Scanlon has been cooperating with government agents and prosecutors. The government anticipates that Mr. Scanlon’s cooperation will continue for the foreseeable future. In the view of both parties, no issues have arisen which require the Court’s intervention at this time.

Accordingly, the parties jointly move the Court to again defer setting a date for the sentencing of Mr. Scanlon. The parties also ask that the Court continue the status conference to a date not less than 90 days in the future in order to allow Mr. Scanlon's cooperation to continue uninterrupted. A proposed order is attached.

Dated this 21st day of May, 2007.
