Robert Andrew Wild, one of the country's premier healthcare attorneys, is founding partner and chairman of Garfunkel, Wild & Travis, P.C. GWT, one of the largest healthcare law firms, is dedicated to solving healthcare's most complex legal, business and regulatory issues with unparalleled experience and commitment to personal service. Always at the forefront of federal and state developments, the firm meets a full range of needs, including complex transactions for healthcare providers, regulatory and HIPAA compliance, mergers and acquisitions, antitrust, reimbursement, professional conduct, patient's rights, real estate, graduate medical education, and more.

Mr. Wild's practice focuses on addressing the legal, regulatory, business and financial needs of the firm's healthcare clients. Mr. Wild has been featured in the *Best Lawyers in America* for over 10 years. He has been cited by *Nightingale's* for the last two years as one of the 10 best health lawyers in the United States. He was also included in *Super Lawyers* and was named "America's Leading Business Lawyer in Healthcare" by *Chambers and Partners* for several years. He is a frequent lecturer/author in the field of health law and has addressed a broad variety of organizations and healthcare providers.

Mr. Wild was formerly Adjunct Professor Health Law at Hofstra University Law School and Asst. Clinical Professor of Health Law at Stony Brook University. He is currently Chairman of the Board of United Way of Long Island.
