Garfunkel Wild is among the nation's most active healthcare specialty law firms. We bring years of experience and legal excellence to your most intricate problems and promising opportunities. The firm is dedicated to solving healthcare's most complex legal, business and regulatory issues. Hospitals, physicians, insurers, nursing facilities, public and private companies and others select us because they want a true healthcare law firm, not merely a healthcare department.

Always at the forefront of Federal and State developments, GW meets the full range of needs for its clients in all aspects of healthcare.
